THOMASBORO IMPROVEMENT ASSOCIATION NEWS

Congratulations to the winners and thanks to everyone who made February's Cash Bash a success! Your generosity will help support building maintenance, local charities and families in need, as well as physical town improvements. We anxiously await the weather to break so work can get started on some crosswalks and sidewalks. We are also working on a little web presence among a few other tasks. What improvements would you like to see? Come up and fill us in or drop an email.

ESDA LOOKING FOR VOLUNTEER STORM SPOTTERS

Our Emergency Services and Disaster Agency (ESDA) is looking for volunteers to become trained for storm spotting and assisting with other emergency situations. Training sessions take place monthly. Participants must be at least 18 years old and hold a valid driver's license. Experience is helpful, but not required. For more information, please contact ESDA Coordinator Laurel Zook at (217) 979-2736 or email tborostormlady@yahoo.com.

MOTHER-DAUGHTER COMMUNITY SALAD SUPPER

Peace Lutheran Ladies will again host their annual Mother-Daughter community salad supper, Sunday, May 6 at 4 pm at the Thomasboro Community Building.

Bring a friend. Great entertainment is being planned. If you plan to attend we will have plenty of seating. If you would like to share your favorite salad, that would be appreciated. A free will offering will benefit a charity of our choice. For questions, please call Ronda Scott 643-7472.

HYDRANT FLUSHING

Village personnel will be flushing hydrants on April 23th – 27th. During this process, residents should not be alarmed if they notice a slight discoloration in the water as a result of the flushing. The condition is temporary and should clear shortly thereafter.

GARBAGE COLLECTION DAY

Trash totes need to be to the curb no later than 4:00 am on pick up days. It has been suggested that totes can be put to the curb the night prior to pick up, so that all garbage gets picked up around the village. Calendars for recycling days are available at the Village office on Main Street.

THOMASBORO POLICE DEPARTMENT

Message from Chief of Police

I would thank the Board for the opportunity to work for the Village of Thomasboro. I will do my best to serve the needs of the village and make Thomasboro a safe place to live by providing professional police services.

I have spoken with several residents so far and I am getting an idea of what their major concerns are. I am interested in hearing from anyone who has an interest in the community to voice their opinions on the service they expect from the police department. So don't be surprised if I seek you out and solicit your expectation of the Thomasboro Police. As always, you are free to call me, flag me down while I'm driving or walking around, or stop by the office. I will typically work M-F from 8-4 but you'll see me in the evenings sometimes too.

Code Enforcement

The most common citizen concerns so far are junk vehicles parked in yards, dogs running loose, and speeding traffic. The Village has ordinances addressing all of these topics so I plan to work to address them all.

Kids Are Everywhere

Spring means you are going to be seeing a lot more kids running and riding bikes around town so please slow down and be aware of your surroundings while driving. And NO TEXTING while driving.
