New Business

Village Newsletter was previously compiled by Jeremy Reale. Trustee Grilo inquired about which members were on the Public Relations Committee and Trustee Scott agreed to assist with content for a quarterly release of information if a template could be provided.

Public Comment

Joseph Spencer, resident for 19 years, offered his expertise and volunteerism for future involvement and guidance to proceed with IDOT pollinator plans now that the trees and brush have been cleared. He had previously emailed the Mayor to discuss plans on the project and wanted to introduce himself.

Trustee Grilo commented that 4-wheeler traffic and dirt bike sightings have been increasing, especially on the weekends. Chief Shumate confirmed the incidents have been addressed with the parents of the minors involved.

Mayor Evans stated that a property owner along the frontage road expressed in donating their property to the Village rather than face the expense of ongoing maintenance. Letters were mailed to all of those property owners related to enforcement of mowing along the property to ensure visibility and adherence to our codes and ordinances.

Treasurer's Report: Leon Albers stated that the appropriation ordinance for FY 2021 will be prepared for the Trustees to vote on at the next meeting. No other report.

Adjournment

There being no further business to come before the Board, Trustee Grilo moved to adjourn the meeting. Trustee Rhodes seconded the motion. Motion carried via voice vote, all present voting "aye". The meeting was adjourned at 8:50 PM.
