WATER RESTRICTION NOTICE

Water restrictions will be in effect from 8:00 a.m. to 4 p.m. Monday July 10, 2023 thru Friday July 14, 2023

The Following restrictions will apply to all customers of the Village Of Thomaboro Water System.

- 1) Prohibiting the sprinkling, watering or irrigation of lawns.
- 2) Any excessive water usage outside of normal home water usages are prohibited.

The reason for this restriction is new pumps and motors are being installed at the water plant and there will be times that water will need to be turned off at the water plant. Customers will have water during these times, we are taking precautions to ensure safe drinking water during the installation.

Thank you for cooperation as we work through this project.
